Quality : CARDINAL  
DATES : MAR 21 – APR 19

Your Horoscope:

It's time to elevate your sense of self, Aries. You're just as good as anyone else, so why don't you believe it? The problem is that you're very sensitive about having an ego. Even though you know everyone has an ego, you punish yourself for the existence of your own! This is a noble idea, but it doesn't do you any good. You'll never be perfect and neither will anyone else. The human experience is about change and growth, not perfection.
